QUIET & RESIDENTIAL AREA.

To rent, a gorgeous studio apartment. The lovely living area has a large sofa and wall television, storage cupboard and a dining table and chairs. The floor and walls are decorated in a light colour. This space has a window making it light and bright, as is the whole apartment.

The fantastic kitchen is unusual for a studio as it is complete with a full hob and oven, extractor, washing up machine, fridge, microwave oven, toaster, coffee machine and plenty of storage space provided by the lovely white cupboards and drawers. It has a beautiful silver back-splash that matches well with the silver extractor.

Another excellent point in this studio apartment is the separate bedroom. It has a large double bed with modern headboard and two bedside tables and a large fitted wardrobe that gives plenty of room for storage. The wall is decorated with two attractive lamps.

The bathroom has a glass enclosed corner shower. There is a white toilet and wash basin and plenty of room for the washing machine and handy shelves and an iron.

This studio has airconditioning and has been beautifully decorated and carefully designed to be practical as well as attractive. It is in a quiet residential area in Loma Dos, not far from the town and beach.
